PROTESTED by: Q.D. Boyd, April 25th, 1912.

### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the stream system. The state reserves the right to regulate the use of water, herein granted, at all times. The grant is limited to flood water and no diversion of water shall be made after the flood subsides without special permission of the State Engineer, which may be given upon application therefor, if conditions warrant. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Nine tenths cubic feet per second., (9/10), or 270 acre-feet per annum.

Actual construction work shall begin on or before May 21, 1915.

Proof of commencement of work shall be filed before June 21, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before June 21, 1915.

Application of water to beneficial use shall be made on or before October 21, 1919.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before November 21, 1919.

WITNESS MY HAND AND SEAL this 21st day of January, 1915.
